BLUE HAT

This is the overview or process control hat. It looks not at the subject itself but at the 'thinking' about the subject. "Putting on my blue hat, I feel we should do some more green hat thinking at this point." In technical terms, the blue hat is concerned with meta-cognition.

- . What thinking is needed to...?
- . How did _____ help you solve...?
- . What were you thinking when...?
- . Tell us what strategies you used to...
- . What steps were required to...?
- . Describe how _____ works....
